

LARGEО Group of Companies has participated in 11th International Exhibition and Conference for the development of Oil and Gas resources of Russian Arctic and CIS Continental Shelf (RAO / CIS Offshore), which was held from 10th to 13th of September 2013 in St.Petersburg.

On this conference **LARGEО Group of Companies** presented a report: "The use of modern technology in marine seismic data processing," by Leonid Gurvich (LARGEО Group of Companies).

We are grateful to our partners, colleagues and all those, who were interested in LARGEО Group of Companies and visited our booth and presentation on the Rao/Cis Offshore Conference.

We were pleased to meet you!
